Numerals

Glyph	ᐅ	ᐅ	ᐅ	ᐅ	ᐅ	ᐅ	ᐅ	ᐅ	ᐅ	ᐅ
Arabic	0	1	2	3	4	5	6	7	8	9
Unicode	ED00	ED01	ED02	ED03	ED04	ED05	ED06	ED07	ED08	ED09

Punctuation

Glyph	Roman	Purpose	Unicode
••	,	Pause / Decimal: Used to show a pause in speech, but also used as a decimal point with numbers.	ED0A
✕	.	End of sentence: Used at the end of every sentence.	ED0B
⦿	፤	Question: Used at the beginning of the phrase to show that what follows is a question.	ED0C
⦿	፤	Exclamation: Used at the beginning of a phrase to show that what follows is an exclamation.	ED0D
•	-	Separator / Hyphen: Usage is similar to the hyphen in English. With numerals, separates groups of four digits.	ED0E
••	:	Abbreviation: Marks missing letters in abbreviations.	ED0F
•••	;	Similar in usage to the separator, but indicates a separation for organizational or logical intentions rather than just to improve legibility.	ED10
(space)	(space)	Space: Used to separate words.	0020
<>	<>	Quotation: Used at the beginning and end of a word-by-word quotation.	0060 0062
()	()	Parentheses: Usage is roughly the same as in English or other Western languages.	0028 0029

Glyph	Roman	Purpose	Unicode
[]	[]	Foreign orthography: Used with foreign spellings. These can be omitted when a different script or typeface is enough to make the distinction, so they are only really required for Romanized Deini.	005B 005D
@	@	Email: Used with Roman letters to form e-mails addresses according to standard Internet conventions.	0040

Other symbols

Glyph	Purpose	Unicode
	Thing: May be used before names of inanimate things.	ED37
	Currency: Can be used to replace any currency symbol as a generic marker. May also be used to separate the major and minor units of currency.	ED38
	Date: Used to write dates. May precede the date, or may be used between elements as a divider.	ED39
	Time: Used to write times. May precede the time, or may be used between elements as a divider.	ED3A
	Location: Used to indicate where something is located, and may be used before names of places.	ED3B
	Life: May be used before names of living things such as people or animals.	ED3C
	Strength/Power/Vitality (ᠪᠠᠨᠠ): A general greeting. Also may be used to mark bullet points in text.	ED3D
	Peace (ᠯᠣᠪᠣᠨ): A general greeting.	ED3E
	Balance: May be used to mark the end of a section of text, such as the end of an article in a newspaper or magazine.	ED3F

Keyboard

Here is the layout of the Deini keyboard. Using the Shift or Capslock keys will cause the keyboard to produce Romanized Deini.

♀	:	@	⊕	☯	☯	⚡	⊙	☯	()	[]
